

Attention Office Managers and Front Office Staff

New laws effective January 1, 2013 impacting Child Health Plan *Plus* (CHP+) HMO assignment

New CHP+ members are enrolled into a temporary State Managed Care Network pre-HMO plan for approximately 45 days. During that 45-day timeframe:

- **Members will need to call and choose a permanent CHP+ HMO plan**
- **If members don't call to choose a HMO plan, they will remain in the HMO chosen for them by the state enrollment broker. Members could then be assigned to a CHP+ plan that you do not accept.**

Please encourage ALL your NEW CHP+ members to call **888-367-6557** to select a CHP+ HMO plan.

Members can also call to change their HMO assignment within the first 90 days after being assigned to an HMO plan. The new HMO will begin the first day of the month after the member calls.

Members are encouraged to check with their primary care providers to know what CHP+ HMO plan(s) their doctors participate with so they can choose a plan that will allow them to keep their current doctor.

There are five CHP+ HMO plans in Colorado. A list of participating CHP+ HMOs by county is listed below:
