**CLINICAL INFORMATION: Please complete below and attach clinical note/assessment.**

<b>SUD TREATMENT HISTORY</b> Describe other ASAM levels of care utilized in the past 12 months				
ASAM Level of Care	Name of Provider	Duration	Approx. Dates	Outcome

<b>MEDICATIONS (including MAT)</b> (attach additional pages as necessary) <input type="checkbox"/> N/A <input type="checkbox"/> Not taking any medications <input type="checkbox"/> Unable to obtain				
Name of Medication	Medication Start Date	Dosage	Frequency	Prescriber

**ASAM ASSESSMENT: Please complete below and attach and supporting clinical note/assessment.**

<b>DIMENSION 1: Acute Intoxication and/or Withdrawal Potential</b>	
<input type="checkbox"/>	No significant withdrawal risk
<input type="checkbox"/>	Minimal risk of severe withdrawal
<input type="checkbox"/>	Not at risk of withdrawal, or minimal/stable withdrawal symptoms present
<input type="checkbox"/>	Not at risk of severe withdrawal, or moderate withdrawal is manageable at Level 3.2WM
<input type="checkbox"/>	Potential for life threatening withdrawal
<input type="checkbox"/>	Life threatening withdrawal symptoms, including potential or actual seizures, delirium tremens, or other imminent adverse reactions
Provide a brief summary of the member's needs/strengths for Dimension 1. For members with an opioid use disorder, please describe the plan to offer medication-assisted treatment (MAT).	

\* If this is a concurrent request, please make sure to include the updated treatment plan and individualized updates.

**COLORADO SUD TREATMENT - STANDARD AUTHORIZATION REQUEST FORM**

Please complete this form in its entirety to ensure timely and accurate processing.

Member State ID: \_\_\_\_\_

**DIMENSION 2: Biomedical Conditions/Complications**

<input type="checkbox"/>	No biomedical conditions/complications (or not significant to distract from treatment)
<input type="checkbox"/>	Biomedical conditions/complications are stable, concurrent medical monitoring being received
<input type="checkbox"/>	24-hour medical monitoring (but not intensive treatment) is needed
<input type="checkbox"/>	24-hour medical and nursing care, and the full resources of a licensed hospital are needed
Provide a brief summary of the member's needs/strengths for Dimension 2. Please make sure to include any medical diagnoses and if there are any complications currently being treated?	

**DIMENSION 3: Emotional/Behavioral/Cognitive Conditions**

<input type="checkbox"/>	No emotional, behavioral, or cognitive conditions/complications, or very stable
<input type="checkbox"/>	Mild emotional, behavioral, or cognitive conditions/complications with potential to distract from recovery
<input type="checkbox"/>	Mild or minimal emotional, behavioral, or cognitive conditions/complications that are not distracting to recovery
<input type="checkbox"/>	Mild to moderate emotional, behavioral, or cognitive conditions/complications that require structured interventions to not be a distraction from recovery. Presence of population-specific needs that cannot be met in a lower level of care
<input type="checkbox"/>	Moderate emotional, behavioral, or cognitive conditions/complications that cause repeated inability to control impulses and/or presence of acute symptom instability
<input type="checkbox"/>	Severe emotional, behavioral, or cognitive conditions/complications that require a 24-hour structured and medically monitored setting
<input type="checkbox"/>	Severely unstable emotional, behavioral, or cognitive conditions/complications that require 24-hour psychiatric care in a hospital setting
Provide a brief summary of the member's needs/strengths for Dimension 3.	

**DIMENSION 4: Readiness to Change**

<input type="checkbox"/>	Demonstrated readiness for recovery, requires motivating and monitoring strategies to strengthen readiness
<input type="checkbox"/>	Demonstrated variable engagement in treatment, ambivalence, and/or lack of awareness of the seriousness of substance use and/or coexisting mental health problems. Requires treatment several times per week to promote change
<input type="checkbox"/>	Demonstrated openness to recovery, but needs a structured environment to maintain therapeutic gains
<input type="checkbox"/>	Demonstrated lack of awareness of need for change due to cognitive limitations and addiction. Requires interventions to engage to stay in treatment
<input type="checkbox"/>	Demonstrated marked difficulty with or opposition to treatment with dangerous consequences
<input type="checkbox"/>	Demonstrated high resistance and poor impulse control despite negative consequences. In need of motivating strategies available only in a 24-hour structured setting
Provide a brief summary of the member's needs/strengths for Dimension 4.	

**DIMENSION 5: Relapse, Continued Use, or Continued Problem Potential**

<input type="checkbox"/>	Minimal support required to control substance use. In need of support to change behaviors
<input type="checkbox"/>	High likelihood of relapse/continued substance use or addictive behaviors. Requires services several times per week
<input type="checkbox"/>	Understanding of relapse and needs structure to maintain therapeutic gains

\* If this is a concurrent request, please make sure to include the updated treatment plan and individualized updates.

**COLORADO SUD TREATMENT - STANDARD AUTHORIZATION REQUEST FORM**

Please complete this form in its entirety to ensure timely and accurate processing.

Member State ID: \_\_\_\_\_

<input type="checkbox"/>	Low awareness of relapse and needs interventions only available in a population-specific setting to prevent continued substance use because of cognitive deficits or dysfunction
<input type="checkbox"/>	Presence of psychiatric symptoms, cravings, and/or crises that inhibit the ability to control substance use
<input type="checkbox"/>	Inability to control substance use and requires 24-hour supervision to prevent imminent dangerous consequences

Provide a brief summary of the member's needs/strengths for Dimension 5.

**DIMENSION 6: Recovery/Living Environment**

<input type="checkbox"/>	Supportive recovery environment and/or adequate skills to cope with stressors
<input type="checkbox"/>	Recovery environment not fully supportive, but able to cope with structure and support
<input type="checkbox"/>	Environment is dangerous, inability to cope outside of a highly structured 24-hour setting
<input type="checkbox"/>	Environment is imminently dangerous, inability to cope outside of a highly structured 24-hour setting

Provide a brief summary of the member's needs/strengths for Dimension 6.

**ADDITIONAL CLINICAL INFORMATION** (as needed)

**If you are an out-of-network Provider, please provide rationale of treatment needs.**

**SPECIAL CONNECTIONS ONLY**

Please provide additional information:

**Dimension 1:** Is client currently receiving MAT? Is infant in the NICU withdrawing? Are infant's behaviors consistent with substances in the infant's system?

**Dimension 2:** Pregnancy status (1st, 2nd, 3rd trimester, post- partum). Pre-natal care status. Any complications during birth? Was infant born with any complications?

**Dimension 3:** Assess ACES from parent's life to gauge parenting ability &/or attachment issues. Assess psychiatric medication need and if meds can be taken during pregnancy. Any perinatal anxiety or depression? How is parent responding to birth of infant?

**Dimension 4:** Level of preparedness for life/parenting skills to meet needs of infant and all children in mom's custody. Father/partner's engagement in treatment (if using and involved).

**Dimension 5:** Parent's reaction to parenting while sober (need for coping skills and structure for successful parenting). Children's reaction to parent taking on parenting responsibilities.

**Dimension 6:** Age, custody status/reunification efforts/living arrangement, level of DHS involvement, behavioral/medical needs for existing children. Safe hope/housing access? Level of partner/family support? Is father/partner involved-level of involvement in infant's life, level of use, history of domestic violence.

**Attach additional documentation as necessary.**

**COMPLETE FORM IN ITS ENTIRETY AND SEND TO MEMBER'S RAE/MCO ALONG WITH SUPPORTING CLINICAL DOCUMENTATION. INCOMPLETE FORMS WILL CAUSE PROCESSING DELAYS.**
